

## NEW MEMBERS

We would like to welcome to the club Colin Siebert who has transferred from Loxton.

John & Maryke Heaver, Colin Potter and Phillip Wilson from the RSL. Rebecca Gruar from Portland.

Bill Dethmore has transferred from Port MacDonnell

Frank Lindner and Charlotte Fulton new bowlers. Welcome back to Brian Cooper who has rejoined our club.

Please make yourself known to the above and welcome them to our club.

## MONEY ENVELOPES

A new system has been instrumented over the last months and we ask that all persons running events take the time to fill out the envelopes as this will help the treasurer.

## PROGRAMME

There are a couple of printers errors popped up in the programme. If you have any queries please refer to the office for the corrections or inserts.

Division 4 Men. December 1st should read:-

1 v 6 2 v 5 3 v 4 11 v 7 10 v 8 9 v 12

There are 8 teams in Division 1 Men.

7. Kingston and 8. Kalangadoo.

Division II Ladies page changed—insert available from the office.

## PAST PRESIDENTS

Wednesday 19th September the Past President Association will be holding the match against the Far Western at our club. This will be a catered day, if you can help Daphne Lawson will be pleased to hear from you. The day will commence at 11.30 am SA time.

## LSEBA OPENING

This will be held at our club on Sunday 23rd September. Our own Geoff Kenny is President and I am sure would appreciate a good showing and support from the members. Again this is being catered so once again we ask for your support in the kitchen.

## WORKING BEES

Thank you Terry and to all members who have taken part over the off season

## SEWBA OPENING DAY

This will be held on Thursday 27th September at the Mount Gambier RSL Bowling Club, commencing at 11 am. Please indicate on the sheet if you wish to attend. BYO Lunch.

## FACILITIES

We had anticipated having outside toilets for the ladies and drinking fountains at the greens.

The drinking fountains are installed with carbon filters to remove chlorine taint and any other chemicals. The temperature of the water will be ambient as recommended by Sport and recreation. Cooled water is not recommended because it may cause strokes and ambient water is more quickly absorbed by the body.

## WINTER ACTIVITIES

Indoor Bowls has seen significant numbers which has been really good for the club. A big thank you to Gaylene Leggett and her helpers for a job well done.

Outside we have only missed a couple of days due to bad weather and have seen up to 40 people turning out on Tuesdays and Saturdays with an average in the low thirties.

Thank you to the people who have put their names on a roster to help Juluis, Gillian and Beryl.

Cards have continued throughout the winter. Thank you to Margaret, Ella, George and John, and their helpers.

Thank you to all members who have assisted Nelda with the **OGR DRIVING**. We are looking for any members under 75 who can spare a couple of hours to assist. This is an easy and enjoyable activity which is very beneficial for the club.

## GREENS DIRECTOR

Congratulations to Terry Seiler on his appointment as Greens Director. He has been working extremely hard over the winter months to ensure everything is ready to go in September.

A new volunteer (Terry Dohling) will be joining Terry on Monday September 3rd to assist in maintenance and gardens.

## WITH OR WITHOUT

Following my marriage I soon tired of being asked whether my surname was spelt with an 'e' so I always volunteered "Clarke" with an "e". I received one reply addressed to Mrs M Clarke-withanee.
